Le M du MONTANA is a high standing block of flats in Chamonix; in the village of Argentières at the bottom of the fabulous skiable domain of the Grands Montets. You'll be seduced by the impressive sight of the Mont Blanc and the direct access towards the skiable slopes. Using high quality materials, its architecture merges wood and stone in ideal harmony with the modern savoyard spirit.

In the heart of the resort of Argentière, a hamlet of Chamonix Mont-Blanc, this complex of 12 rehabilitated flats (VIR) is one of the rare new real estate projects offering an exceptional setting.

MONTANA 3 is an upmarket flat at the foot of the renowned Grands Montets ski area. Located on the garden level of the residence, this exceptional property stands out for its quality services: a large living room with a terrace that can welcome a jacuzzi and garden of 140 m² facing Mont Blanc, a kitchen, two bedrooms and two bathrooms, a TV comfort zone. On the lower level, two bedrooms, two bathrooms, a dressing room, a relaxation area with sauna, a laundry room and a direct access to the 32 m² garage.
