In the center of Argentières, hamlet of Chamonix Mont-Blanc, this whole of renewed flats is an exception among other properties on the market.

High quality and close from the Grands Montets' skiable domain, this appartement offers a marvelous setting. It's located at the 3d and last story, and has 3 bedrooms, 2 bathrooms, a vast living room with opened-kitchen, a balcony overlooking the Mont-Blanc, a ski locker with shoe dryer, a cellar as well as an outdoor parking slot with an electric terminal to recharge the car (20 000€ supplement).

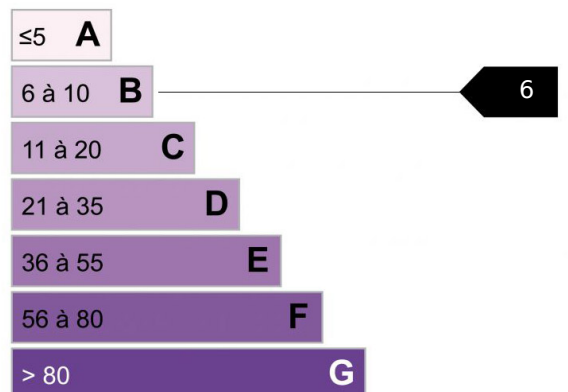

Le M du Montana is a unique property implanted nearby the Mont-Blanc.
